

Inventor: Dewain L. Wasson
Docket No.: 08336.0013US01
Title: Member for Reducing Leakage Current through a Bearing of an Electric Motor
Serial No.: 10/682,373
Sheet 2 of 13

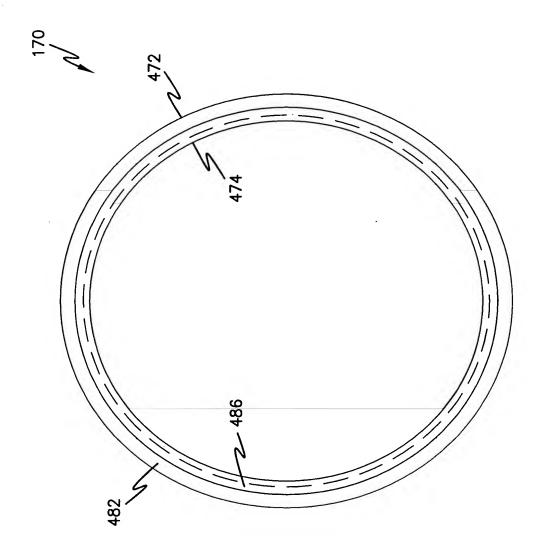

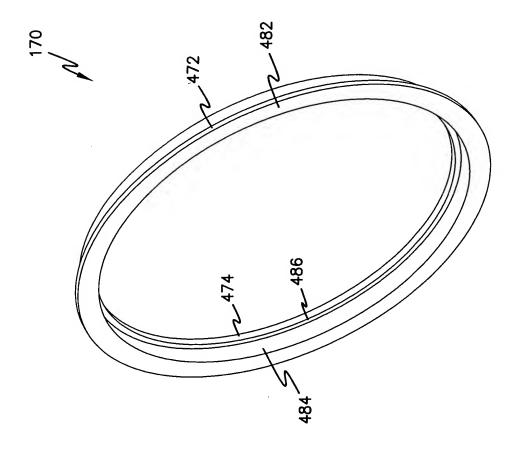

Inventor: Dewain L. Wasson
Docket No.: 08336.0013US01
Title: Member for Reducing Leakage Current through a Bearing of an Electric Motor
Serial No.: 10/682,373
Sheet 3 of 13

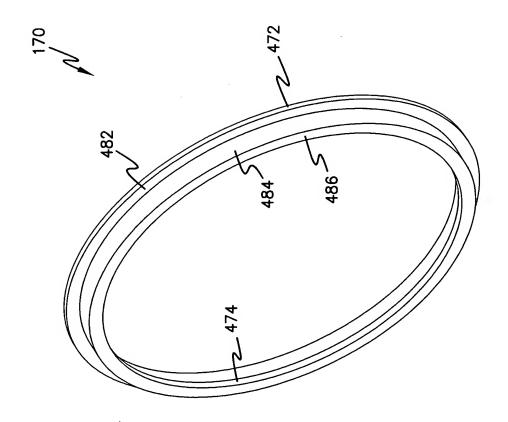

Inventor: Dewain L. Wasson
Docket No.: 08336.0013US01
Title: Member for Reducing Leakage Current through a Bearing of an Electric Motor
Serial No.: 10/682,373
Sheet 4 of 13

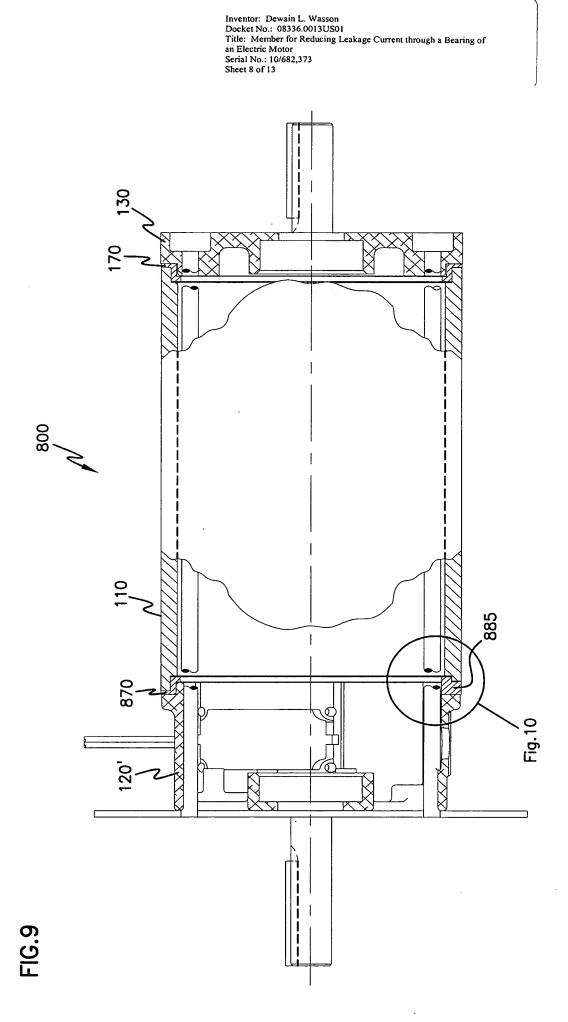

Inventor: Dewain L. Wasson
Docket No.: 08336.0013US01
Title: Member for Reducing Leakage Current through a Bearing of an Electric Motor
Serial No.: 10/682,373
Sheet 5 of 13

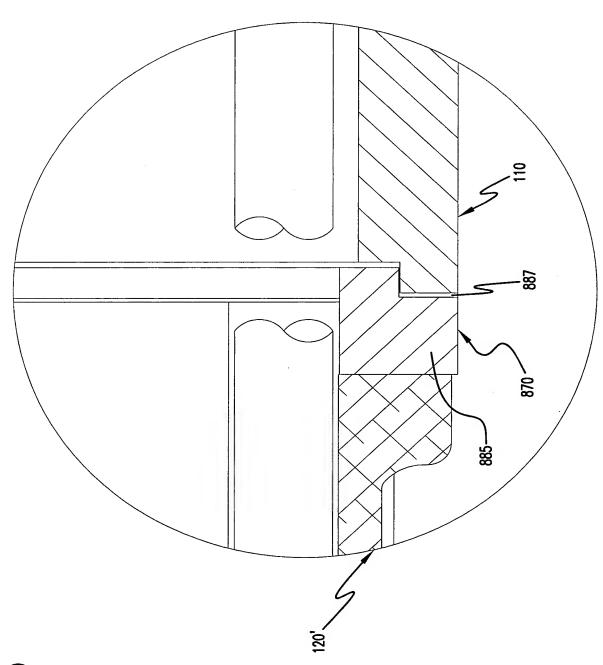

Inventor: Dewain L. Wasson
Docket No.: 08336.0013US01
Title: Member for Reducing Leakage Current through a Bearing of an Electric Motor
Serial No.: 10/682,373
Sheet 6 of 13

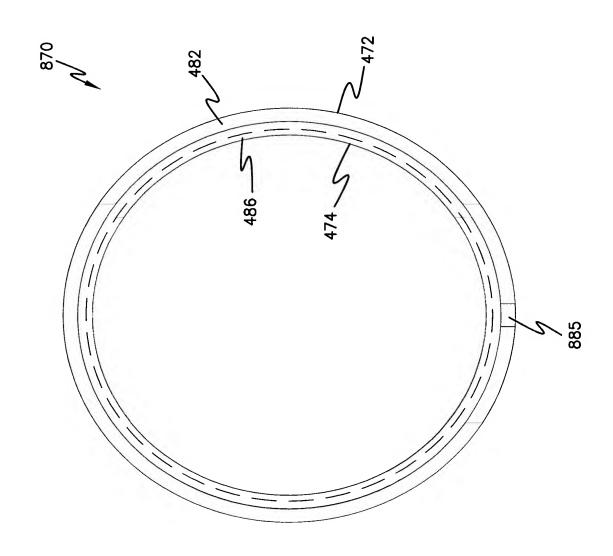

Inventor: Dewain L. Wasson
Docket No.: 08336.0013US01
Title: Member for Reducing Leakage Current through a Bearing of an Electric Motor
Serial No.: 10/682,373
Sheet 7 of 13 

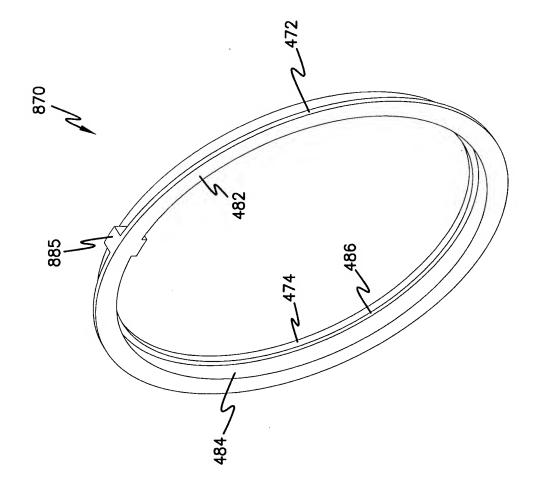

Inventor: Dewain L. Wasson
Docket No.: 08336.0013US01
Title: Member for Reducing Leakage Current through a Bearing of
an Electric Motor
Serial No.: 10/682,373
Sheet 9 of 13

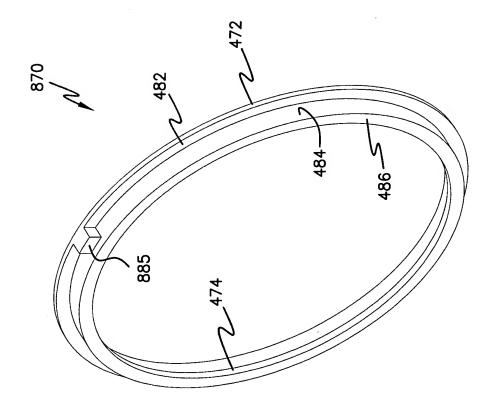

Inventor: Dewain L. Wasson
Docket No.: 08336.0013US01
Title: Member for Reducing Leakage Current through a Bearing of an Electric Motor
Serial No.: 10/682,373
Sheet 10 of 13

Inventor: Dewain L. Wasson
Docket No.: 08336.0013US01
Title: Member for Reducing Leakage Current through a Bearing of an Electric Motor
Serial No.: 10/682,373
Sheet 11 of 13

Inventor: Dewain L. Wasson
Docket No.: 08336.0013US01
Title: Member for Reducing Leakage Current through a Bearing of an Electric Motor
Serial No.: 10/682,373
Sheet 12 of 13

Inventor: Dewain L. Wasson
Docket No.: 08336.0013US01
Title: Member for Reducing Leakage Current through a Bearing of an Electric Motor
Serial No.: 10/682,373
Sheet 13 of 13
